RE: Clayton Chemical Superfund Site; Sauget, Illinois
PRP K&R Wood Products Legal Representation

Dear Mr. Turner:

This letter is an attempt to dispel any confusion about the legal representation of the PRP for the Clayton Chemical Superfund Site in Sauget, Illinois. Please note that my law firm represents K&R Wood Products in the above referenced matter. The Stolar Partnership does not represent K&R Wood Products in this matter.

On April 5, 2002, I, as legal counsel for K&R Wood Products, submitted a written response within the time frame specified in Richard Karl's letter of March 6, 2002.

It is my understanding that correspondence in regards to this matter is being sent to Musette Vogel of The Stolar Partnership in regards to K&R Wood Products. Please send all future correspondence to my attention at my law office at the address referenced above.

Thank you for your time and attention to this matter.

Sincerely,

JOSEPH L. GREEN

Attorney at Law
